

ENROLL TO COURSERA (INTRODUCTION TO DEVOPS):

The image shows the Coursera course page for 'Introduction to DevOps'. The page features the IBM logo at the top left. The course title 'Introduction to DevOps' is prominently displayed, followed by the text 'This course is part of multiple programs. Learn more'. Below this, the instructor is listed as John Bohrer, a Top Instructor. A blue 'Go To Course' button is visible. The course is sponsored by the IBM Group of Institutions, and 139,799 students have already enrolled. A summary bar highlights key features: 6 modules, a 4.8-star rating from 3,100 reviews, a beginner level, a flexible schedule of approximately 9 hours, and a 98% learner satisfaction rate. Navigation tabs for 'About', 'Outcomes', 'Modules', 'Testimonials', 'Reviews', and 'Recommendations' are provided. The 'What you'll learn' section lists four key takeaways: understanding DevOps characteristics and culture, grasping essential DevOps concepts like microservices and CI/CD, appreciating the importance of Continuous Integration and Delivery, and understanding the organizational impact of DevOps on team structure and responsibilities.

What you'll learn

- ✓ The essential characteristics of DevOps including building a culture of shared responsibility, transparency, and embracing failure.
- ✓ Essential DevOps concepts: software engineering practices, cloud native microservices, automated continuous deployments, and building resilient code.
- ✓ The importance of Continuous Integration and Continuous Delivery, Infrastructure as Code, Test Driven Development, Behavior Driven Development.
- ✓ The organizational impact of DevOps, including breaking down silos, working in cross functional teams, and sharing responsibilities.

ON PROCESS PROOF:

The image is a screenshot of a video player interface. On the left, a sidebar lists the course content for 'Introduction to DevOps', with the current video, 'January 2011 Etsy deploys ~25 min', highlighted. The main video area shows a man in a dark blue shirt speaking. The video title 'January 2011 Etsy deploys ~25 min' is displayed at the top of the video frame. Below the title, a list of bullet points summarizes the key points of the lecture: 'Code committed by 76 people a total of 517 times', 'Requires trust, transparency, and discipline', and 'Teams working for a common goal'. The video player controls at the bottom show the video is at 3:53 of a 7:18 duration. The IBM Developer Skills Network logo is visible in the bottom right corner of the video frame.
